

Why not have pianist/vocalist Rob Lowe put the finishing touches on your next event?

Rob Lowe played for nearly two years at the number #1 Italian restaurant in the DFW area. Prior to Rob playing there, the Piano Bar was not ranked, but went on to become the #3 piano bar-restaurant in the area before relocating back to the Cincinnati area.

Rob is available for corporate events, weddings, private parties, and everything in between.

He is the perfect pairing for private parties, receptions, birthdays, holiday gatherings and even wedding cocktail hours. Lowe's music is romantic and timeless. His music is pulled from the Great American Songbook. Rob can also do a fabulous acoustic tribute to Barry Manilow, including amusing anecdotes. His vocals are rich, smooth and harmonic. He carries a HUGE repertoire with him and can tailor an event to reflect several different themes such as Barbara Streisand, Frank Sinatra, Bobby Darin, Broadway Showtunes, Jewish Composer night, even an evening of Holiday music.

No Piano? No problem! Rob can provide a piano upon request.

Rob Lowe was a great addition to our Chefs For Farmers Event. Even though it was short notice, he was willing to do anything we needed! He was on time to the event and very professional. Next time I am in the area, I will definitely contact Rob, the crowd loved him!
